

Shane S. Dikolli is an Associate Professor in Accounting at Duke University's Fuqua School of Business. Professor Dikolli received a Bachelor of Business in Accounting from Curtin University of Technology (Australia), a PostGraduate Diploma in Business and Administration from Curtin University and a Ph.D. in Accounting from the University of Waterloo (Canada); he is also a Certified Practising Accountant (Australia). Prior to completing his Ph.D., Professor Dikolli worked as a staff accountant at Hendry Rae & Court (Chartered Accountants), a budgets and systems accountant at Curtin University, and a consultant at KPMG International Headquarters (Amsterdam). He has also held prior academic appointments at Curtin University, Wilfrid Laurier University (Canada), and the University of Texas at Austin.

Professor Dikolli teaches an MBA course in managerial accounting at the Fuqua School of Business in the Full-Time and Weekend Executive Programs. In 2011 Bloomberg Business Week recognized him in the Top 5 Most Popular Business Professors across all disciplines in the Top 30 business schools in the US (<http://buswk.co/pquVSx>) and was the only Accounting professor named in the Top 10 (<http://buswk.co/mOwzk1>). In October 2011, he was named the Financial Times "Professor of the Week" (<http://on.ft.com/pDvITT>). At Fuqua he has three times won the Excellence in Elective Course Teaching Award. Professor Dikolli also won the Daimler-Chrysler Award for Innovation and Excellence in Core Course Teaching and won the Excellence in Teaching Award for a Core Course in the Weekend Executive MBA program at Fuqua.

Professor Dikolli's primary research interests focus on the economic effects of time horizons on the measurement and application of performance measures in the context of both incentive contracting and the management of business operations. His interests span both analytical modeling and empirical analysis. Professor Dikolli currently holds Editorial Board member positions at *The Accounting Review*, *Journal of Management Accounting Research*, and *Accounting and Finance*. He has published his research in *Journal of Accounting Research*, *Journal of Accounting & Economics*, *The Accounting Review*, *Contemporary Accounting Research*, *Review of Accounting Studies*, *European Accounting Review*, *Journal of Management Accounting Research*, *Journal of Accounting and Public Policy*, *Journal of Services Marketing*, *Behavioral Research in Accounting*, *Asian Review of Accounting*, and *Managerial Auditing Journal*. His work has been cited in the *Wall Street Journal* (<http://bit.ly/pCVn4k>) and *Financial Times* (<http://on.ft.com/nZbZ6L>).
