

Careers and Employment

Launch your career

You'll graduate with more than a working knowledge of business fundamentals—you'll also understand how to successfully manage your career. We take a proactive approach to career management, working closely with you on your job search and equipping you with skills you'll carry with you throughout your career.

“

The help I got from the Career Management Center (CMC) was invaluable—I received prompt assistance whenever I felt stuck in my career search process, from getting feedback on my resume to practicing with mock interviews.”

— SOMAYYA HAYAT, Senior Consultant, Deloitte, New York
