global executive mba

An MBA that comes with a worldview.

The total immersion of a traditional MBA, but with added flexibility and a global focus.

- 21-month program combines short in-person residencies and distance learning periods
- Case-based, academically rigorous curriculum combined with experiential learning opportunities, cultural immersion, and career development workshops

- Three residencies at Fuqua's campus in Durham, N.C.
- Four, 9-day international residencies in Asia, Latin America, and Europe blending classroom instruction, teamwork, networking, and cultural immersion

- 6-week distance learning periods precede and follow each residency, providing flexibility to complete assignments and collaborate with colleagues wherever you are
- Weekly, live virtual class sessions connect you with faculty and the extended network of your peers

A Team Learning Focus

You'll be assigned to a team of 5-6 peers, each with distinct perspectives, mirroring the real-world diversity of global collaboration. As a team, you'll hone your ability to trust and leverage one another's strengths—an essential skill set for propelling any team toward success.

A Right Fit MBA

Customize your MBA experience through electives, certificates, or a choice of five concentrations to align with your career objectives or broaden your skill set.
